

- If no aces are hit all day, there will be a CTP with half the money going to the parks department and half going to the single closest thrower.
- Over the fence on hole 9 is OB
- Parking lots and roads that connect them are also ob.
- are treated like a typical OB scenario.
- Hole 13 - If any tee shot lands in the road, you must proceed to the drop zone with a penalty stroke. Any shots that are not from the tee
- On or over paved roads are OB (see special rule for 13)
- We will have water supplies on the course but please be prepared and bring your own water and bug spray just in case.
- Please consider buying from the local vendor or pack a lunch. The DD down the road takes forever and typically messes up orders.
- The County Parks will have a single onsite food vendor. Other food options are about 10 minutes away.
- We are playing with the 2 meter rule in effect
- Check in is from 8AM to 9AM either day at Parking lot #2 - Fox River Park in Silver Lake
