

- All aces split all day. If no aces are hit all day the ace pool will be split with 10% going to the parks and 90% going to the St Jude Disc Golf Invitational.
- Parking lots and roads that connect them are OB
- The freshly painted orange line around the pin is an island green. Your tee shot needs to land safely on the island OR completely surrounded by pavement then proceed to the drop zone with a 1 stroke penalty. Play regular OB rules for any shots other than tee shots.
- On or over paved roads are OB (however—see special rule for 13)
- Over the fence on hole 9 is OB
- We will have water supplies on the course but please be prepared and bring your own water and bug spray just in case.
- We will have a single onsite food vendor. Other food options are at least 10 minutes away. Please consider buying from the local hot dog vendor. The DQ down the road takes forever and typically messes up orders—oh and they take forever!
- After Grey Fox Hole 18 please proceed to Red Fox Hole 1.
- After Red Fox Hole 9 please proceed to Grey Fox Hole 1.
- The 2 meter rule is in effect
- We will have water supplies on the course but please be prepared and bring your own water and bug spray just in case.
- Fox River Park in Silver Lake, WI
- Check in is from 8AM to 8:55AM at Parking lot #2

Important Info

All payouts are calculated in accordance with PDGA B-Tier Standards.
 This is a Wisconsin Tour Stop which pays Wisconsin Tour Fees, WI Basket Fund Fees, and PDGA fees.
 Results for the event should be published online no later than 8PM (at the latest).
 Additional \$10 can be paid as a Vibram Qualifier
